FARM WAGE RATES
SET AT MEETING

Ninety farmers attended a meeting of fruit, vegetable and potato growers of Columbiana and Mahoning counties Thursday night at the Greenford grange hall at which time they set wage rates for unskilled harvest workers.

The wages set for apple harvesters were 15 cents per bushel or 50 cents an hour, depending on the farmer.

Potato harvesters will receive eight to ten cents a bushel or 50 to 75 cents an hour.

Bean pickers will receive 25 cents per 12-quart basket for lima beans, and 27 cents for green beans.

The growers also discussed the various types of spraying and dusting equipment and methods now in use. A report was given on speed sprayers and their efficiency. W. T. Vick of the Flakota Dusting Co., Alliance, told the group of the results his company was getting from airplane dusting.

The meeting was arranged by Columbiana County Agent Floyd Lower of Lisbon and Mahoning County Agent J. C. Hedge of Canfield.

OPEN CAMPMEETING
HERE ON AUGUST 8

The Eastern division of the International Missionary association, which is composed of churches in Ohio, Indiana, Wisconsin, Maryland and Canada, will open its 10th annual campmeeting at 7:30 p. m. Thursday, Aug. 8, on the Satterthwaite farm, near the Depot rd., for a 10-day session.

Rev. R. G. Finch and his son, Rev. P. W. Finch, both of Colorado Springs, Colo., will be the speakers. Special music will be featured.

A tabernacle, with a seating capacity of several hundred, is under construction. It will be completed for the opening service. Later a dormitory and cabins will be erected to accommodate visitors.

The association purchased the Satterthwaite farm a year ago and plans to make Salem its headquarters.

Members are expected from all the churches in the district, Pennsylvania and Kentucky.

Oak Ridge A-Bomb Project
Turns Out First Radioactive
Products to Benefit Mankind

By FRANK CAREY
Associated Press Science Reporter

OAK RIDGE, Tenn., Aug. 2.—The first peacetime products of the government's vast A-bomb project were handed over today to research institutions for the study of cancer and other problems of mankind.

Declaring the step opens "new horizons of medical and biological research," the Army's Manhattan engineer district—makers of the atomic bomb—said the first products consigned were five "pea-sized" units of radioactive carbon, called carbon 14.

They were produced in the same chap-reacting uranium ovens used in developing the A-bomb. Each weighs only one ten thousandth of an ounce and costs \$400, including handling and shipping charges.

Fields of Research

Described as capable of emitting 37 million atomic ray particles a second for the next 10,000 to 25,000 years, the carbon units were earmarked for research in the following fields:

Cancer, diabetes, the role of carbon in human teeth and bones, the utilization of fats by the human body, and the mechanism of "photosynthesis"—the little-understood phenomenon by which plants take energy from sunlight and store it as chemical energy. Photosynthesis is responsible for most of the stored energy used by man, such as coal, oil, wood and food.

Today's announcement, accompanied by new and dramatic details of the way in which the atomic energy plants can be made to produce energy instead of killing him, marked the latest step in a program outlined in mid-June.

At that time it was stated that some 100 different varieties of radioactive materials producible at the Clinton laboratories at Oak Ridge and at other centers would be made available as soon as possible to accredited hospitals, universities, industrial research laboratories and clinical investigating groups.

Many Applications Filled

Col. E. E. Kirkpatrick, deputy district engineer in charge of the Oak Ridge project, said today hundreds of applications for various types of material had been received. He said that 30 to 40 orders will be filled in the immediate future and that several hundred are likely to be filled within the next few months.

In addition to radioactive carbon, the atomic energy facilities can produce radioactive forms of many common and rare elements, including such medically-important materials as radioactive sulphur, phosphorus and iodine—hitherto produced in only minute quantities by the instrument known as the cyclotron.

Prices set by the Manhattan district for its new products range from \$367 a unit (excluding handling charges) for radioactive carbon to 67 cents for a radioactive mixture of the metals zirconium and columbium.

The substances are known as "radiosotopes"—that is, radioactive forms of stable elements. While possessing the same chemical properties...

Corp. Edward Mallory of the Salem sub station, state highway patrol, said today that Patrolmen C. P. Shambaugh and Ralph Lanker have taken residence in Poland, near Youngstown, and will patrol that area for the Salem barracks.

The two patrolmen formerly resided here and worked directly from the Salem station.

Procedures will be the same, Mallory explained, the men reporting to the local station regularly but simply residing in Poland so that they will be readily available in their immediate patrol area.

Alliance Firm to Make
Caskets For War Dead

JEFFERSONVILLE, Ind., Aug. 2.—Contracts for the manufacture of 250,000 caskets and cases to be used in the War Department's program for returning the bodies of American servicemen who died overseas during World War II have been awarded to five concerns at an approximate cost of \$35,000,000.

Announcement of the award of the contracts was made yesterday by Brig. Gen. Harlan L. Mumma, commanding officer of Jeffersonville's quartermaster depot, which undertook the procurement of the caskets and cases.

The contracts went to Continental Industries, Chicago; the Cincinnati Ceffin Co., Cincinnati, Ohio; Goodyear Aircraft Corp., Akron, O.; Galant Products, Alliance, O.; and National Manufacturing Company, Plainfield, Conn. Each concern will produce 50,000.

B-29 Crosses Nation In
7 Hours, 28 Minutes

BURBANK, Calif., Aug. 2.—An Army B-29 Superfortress roared across the continent in seven hours and 28 minutes yesterday, setting a new east to west speed record between New York and Burbank.

Piloted by Capt. Boyd L. Grubbs of Van Wert, Ohio, veteran of the first Superfort bombing of Japan, the plane broke the previous record of nine hours and 23 minutes, established last May 28 by a Lockheed navy Neptune.

The B-29, carrying a crew of six and 3,705 gallons of gasoline, flew at about 30,000 feet over the 2,460-mile route.

Although it was a record for a conventional type plane, fast pursuits have crossed the nation in better time. A jet propelled P-80 flew from Long Beach, Calif., to New York in four hours, 13 minutes, 23 seconds last Jan. 26.

WASHINGTON, Aug. 2.—The house today sustained President Truman's veto of the Tidelands bill, thus killing the legislation.

MINNEAPOLIS, N. Y., Aug. 2.—Capt. Stuyvesant Pinnell, chief of Nassau county detectives, said today Ward Beecher Cate, 23-year-old Negro butler and chauffeur, had confessed to the slaying of socially prominent Mrs. Marjory Church Logan, 52, and raping and shooting her daughter, Marjory, last July 24.

BRUNSWICK, Ga., Aug. 2.—A suit was filed in federal district court here today attacking the constitutionality of Georgia's county unit primary election system and seeking to block the nomination of Eugene B. Coker for his fourth term as governor.

None Injured As Cars
Collide On Route 30

State patrolmen investigated one minor accident and made one arrest since Thursday. No one was injured in the mishap.

Cars driven by Edward Blumrick, 20, of Philadelphia, and Carmere Smizinski, 35, of Chicago, collided almost head-on on Route 30, seven miles west of Lisbon, at 2 a. m. today. Both cars were damaged, patrolmen said.

Thelma Liston Weaver, 40, of Warren, was arrested by patrolmen on a charge of failing to obey a stop signal, Mayor E. P. Harmon of Sebring fined her \$10 and costs.

Historic 79th Congress
Heads For Adjournment

(By Associated Press)

WASHINGTON, Aug. 2.—The 79th congress, which teamed with President Roosevelt and Truman in carrying the burdens of war but balked on many home-front matters, sped toward final adjournment today.

With an eleventh-hour compromise worked out to freeze the social security tax, a last-minute flurry over a world court proposal was the only threat to plans for sine die adjournment at the end of today's sessions.

The house already has voted for final adjournment today but the senate has held up on the suggestion.

Barring an emergency that would cause the president to recall it for a special session, the 79th congress will not meet again once it closes the books, for the congress that convenes in January will be a new one, the 80th.

Longest Vacation In 8 Years

The fact that a new congress will be elected in November was one of the compelling reasons that prompted the body to take its longest vacation in eight years. All 435 house seats and 32 of the 96 in the senate will be filled, and members seeking re-election wait ample time to campaign.

Even as they began leaving for their homes, many members felt they might be recalled into special session after its boast that it will win control of the house in the new congress, they feel certain that President Truman will make one final effort to win approval of some of his domestic legislative proposals from the Democratic 79th.

Many of those proposals already have been rejected by the 19th, which often ignored the expressed wishes of the chief executive.

Fought For Victory

But on the other hand it went down the line with both Mr. Roosevelt and his successor on international issues and on matters dealing with the war, which was in progress on two fronts when the congress first convened on Jan. 3, 1945.

Three months later, on April 12, it weathered the shock of the sudden death of Mr. Roosevelt and helped one of its former colleagues, Harry S. Truman, then vice president, pick up the burden of leading the nation's war effort. It cooperated with Mr. Truman until the fall of Germany and Japan.

The political "honeymoon" and congress ended abruptly in September, 1945, when Mr. Truman submitted a 21-point major legislative program. The rift widened as the president broadened the program with later requests.

In all, the president asked for 32 pieces of legislation. Congress approved 10 of them, rejected 15 and compromised on 7.

ATHENS, TENN.,
IS SCENE OF
6-HOUR FIGHTOpposition Concedes After
Deputies Surrender
At County Jail

(By Associated Press)

ATHENS, Tenn., Aug. 2.—A bipartisan group of GI's their election to McMinn county offices conceded by a leader of the opposition, brought quiet to bullet-ridden Athens today after a bloody six-hour gun battle around a now battered jail.

At least 18 persons were injured, six seriously, in the election day strife which began Thursday afternoon and continued until 3 a. m. when a score or more deputized officers surrendered their hold on the two-story brick prison building.

Before complete order could be restored, several automobiles were overturned or stripped, and near riots swept over this town of 7,000, suddenly bereft of formal law enforcement from county agencies.

A mobilization of state guardsmen was cancelled and a spokesman for the GI forces said they would maintain order until a mass meeting Monday when it was hoped some provision for filling county offices would be made.

Federal Guard Appears

In Washington, Attorney General Tom Clark ordered an investigation today of the gun battle. The civil rights section of the Justice department was directed to determine whether federal laws were violated.

The battle of the jail, pocked and battered from bullets and home made bombs tossed by GI sympathizers, was a direct outgrowth of the bitter political campaign waged by the veterans to overturn the Democratic organization of State Senator Paul Cantrell, in power for a decade.

Armed sheriff's deputies moved two ballot boxes to the jail Thursday afternoon, shortly after the polls closed at 4 p. m. and trouble, long brewing, burst into the open.

A group of the GI's disarmed even of the deputized officers, beat them and showed them into automobiles for a swift ride out of town.

At 9 p. m. a crowd, estimated at 60 and now armed with pistols and light rifles, moved on the jail, occupied by the force of deputies.

Gunfire Is Returned

Ralph Duggan, a former navy lieutenant commander and a leader of the GI forces, said the crowd was "met by gunfire" and because they had "promised" that the ballots would be counted as cast, they had "no choice but to meet fire with fire."

The exchange of fire, sporadic for six hours, ended after the jail was rocked by four blasts of explosives and one of the deputies shouted down for a halt because "we are dying in here."

One report, telephoned from within the jail during the night, said two men inside had been killed but it proved false.

The deputies, hands high in the air, marched out of the building, were searched and 21 returned to the jail under GI guards. One officer, identified by onlookers as Deputy Windy Wise, was manhandled by a group, but apparently was not harmed seriously.

Sheriff Doffs Badge

Cantrell's whereabouts were not known. Sheriff Pat Mansfield, shirt sleeved and without his badge, was seen in the company of a physician after the surrender. He apparently was unarmed.

George Woods, a county election commissioner and high in the Cantrell organization, had agreed to certify the GI state of candidates as winners of the election, Duggan said.

The ballot boxes, torn open with their contents strewn about a jail office, were recovered by the GI forces.

Duggan called the mass meeting for Monday and said it was planned to have winners formally inducted as interim officials. Their terms normally would start Sept. 1.

Quaker Band
Program At
Park Enjoyed

More than 500 persons heard the first public concert of the American Legion Quaker City band of the Charles H. Carey post No. 56 at Centennial park Thursday night.

The park drives were double parked with automobiles and the band, playing near the pavilion, was surrounded by a throng of listeners.

The concert was an hour and a half duration. One of the features of the program was a trombone solo, "The Cavaliers" (Clair W. Johnson), featuring Dan Holloway, Fred Groner and Fred Krauss.

One of the numbers was dedicated to Edward L. Gilson, only living charter member of the original Quaker City band. Gilson was president of the band for many years following its formation in 1896.

The 40-piece band was directed by George Chappell. Its next appearance will be at the state Legion convention and parade in Cleveland on Aug. 19.

The meeting was arranged by Columbiana County Agent Floyd Lowery of Lisbon and Mahoning County Agent J. C. Hedge of Canfield.

MAN BURNED
IN SHOP FIRERoss E. Davis Hurt When
Paint Ignites At Tool
Company Plant

Quick action by the Salem Fire department, assisted by employees of the Salem Tool Co., S. Ellsworth ave., at 5:27 p. m. Thursday averted what might have been a disastrous fire at the tool plant. One man was burned.

The blaze originated in the paint booth in the south plant structure and resulted in first degree burns to Ross Edgar Davis, R. D. 5, Salem, an employee who was attempting to put the fire out.

Fire Chief Vincent Malloy said the fire, which caused damage to the paint booth, the walls and the ceiling in the south plant apparently was caused by sparks from a welding operation nearby.

Paint Explodes
Davis and several other employees grabbed fire extinguishers when the fire began and approached the booth burned Davis about the face and shoulders.

Davis was taken to Salem City Hospital where it was determined that his burns were first degree and not serious. His condition today is reported good.

Firemen credited employees who assisted them with averting a more serious fire. Malloy said without their assistance he doubted if the blaze could have been brought under control in time to save the plant.

The department used two large lines of hose and one smaller booster line. The blaze was brought under control in 20 minutes.

Company officials were unable to estimate the amount of the damage early today, but James H. Wilson, president, said he thought the loss was "slight." Production continued as usual today.

W. C. T. U. May Force Bars
Near Ohio Fairs To Close

COLUMBUS, Aug. 2.—The State Department of Liquor Control today pondered closing all drink spots within a two mile radius of Ohio agricultural fairs.

The possible closing action was forced on the department when the Women's Christian Temperance Union unearthed a pre-prohibition law making illegal the sale of liquor within such a radius of any state or county agricultural fair—and demanded its enforcement.

The liquor department, immediately consulted the attorney general.

Harlan T. Chapman, acting enforcement chief, delayed action while awaiting the attorney general's opinion, but remarked:

"I'll have to do my duty."

Neither Liquor Director Robert M. Sohngen nor Chapman would comment further until the legal aspects had been clarified.

If the liquor department enforces the law, it could mean closing hundreds of bars throughout the state.

Judge Weyandt corrected the oversight and remarked:

Piloted by Capt. Boyd L. Grubbs of Van Wert, Ohio, veteran of the first Superfort bombing of Japan, the plane broke the previous record of nine hours and 23 minutes, established last May 28 by a Lockheed navy Neptune.

The B-29, carrying a crew of six and 3,705 gallons of gasoline, flew at about 30,000 feet over the 2,460-mile route.

Although it was a record for a conventional type plane, fast pursuits have crossed the nation in better time. A jet propelled P-50 flew from Long Beach, Calif., to New York in four hours, 13 minutes, 23 seconds last Jan. 26.

WASHINGTON, Aug. 2.—The 79th congress, which teamed with President Roosevelt and Truman in carrying the burdens of war but balked on many home-front matters, sped toward final adjournment today.

With an eleven-hour compromise worked out to freeze the social security tax, a last-minute flurry over a word court proposal was the only threat to plans for sine die adjournment at the end of today's sessions.

The house already has voted for final adjournment today but the senate has held up on the suggestion.

Barring an emergency that would cause the President to recall it for a special session, the 79th congress will not meet again once it closes the books, for the congress that convenes in January will be a new one, the 80th.

Longest Vacation In 8 Years
The fact that a new congress will be elected in November was one of the compelling reasons that prompted the body to take its longest vacation in eight years. All 435 house seats and 32 of the 96 in the senate will be filled, and members seeking re-election want ample time to campaign.

Even as they began leaving for their homes, many members felt they might be recalled into special session after its boast that it will win control of the house in the new congress, they feel certain that President Truman will make one final effort to win approval of some of his domestic legislative proposals from the Democratic 79th.

Many of those proposals already have been rejected by the 19th, which often ignored the expressed wishes of the chief executive.

Fought For Victory
But on the other hand it went down the line with both Mr. Roosevelt and his successor on international issues and on matters dealing with the war, which was in progress on two fronts when the congress first convened on Jan. 3, 1945.

Three months later, on April 12, it weathered the shock of the sudden death of Mr. Roosevelt and helped one of its former colleagues, Harry S. Truman, then vice president, pick up the burden of leading the nation's war effort. It cooperated with Mr. Truman until the fall of Germany and Japan.

The political "honeymoon" between the new president and congress ended abruptly in September, 1945, when Mr. Truman submitted a 21-point major legislative program. The rift widened as the president broadened the program with later requests.

In all, the president asked for 32 pieces of legislation. Congress approved 19 of them, rejected 15 and compromised on 7.

ATHENS, TENN.,
IS SCENE OF
6-HOUR FIGHTOpposition Concedes After
Deputies Surrender
At County Jail

(By Associated Press)

ATHENS, Tenn., Aug. 2.—A bipartisan group of GI's their election conceded by a leader of the opposition, brought quiet to bullet-ridden Athens today after a bloody six-hour gun battle around a now battered jail.

At least 18 persons were injured, six seriously. In the election day strife which began Thursday afternoon and continued until 3 a. m. when a score or more deputized officers surrendered their hold on the two-story brick prison building.

Before complete order could be restored, several automobiles were overturned or stripped, and near riots swept over this town of 7,000, suddenly bereft of formal law enforcement from county agencies.

A mobilization of state guardsmen was cancelled and a spokesman for the GI forces said they would maintain order until a mass meeting Monday when it was hoped some provision for filling county offices would be made.

Federal Probe Appears

In Washington, Attorney General Tom Clark ordered an investigation today of the gun battle. The civil rights section of the Justice department was directed to determine whether federal laws were violated.

The battle of the jail, pocked and battered from bullets and home made bombs tossed by GI sympathizers, was a direct outgrowth of the bitter political campaign waged by the veterans to overturn the Democratic organization of State Senator Paul Cantrell, in power for a decade.

Armed sheriff's deputies moved two ballot boxes to the jail Thursday afternoon, shortly after the polls closed at 4 p. m. and trouble, long brewing, burst into the open.

A group of the GI's disarmed seven of the deputized officers, beat them and shoved them into automobiles for a swift ride out of town.

At 9 p. m. a crowd, estimated at 70 and now armed with pistols and light rifles, moved on the jail, occupied by the force of deputies.

Gunfire Is Returned
Ralph Duggan, a former navy lieutenant commander and a leader of the GI forces, said the crowd was "met by gunfire" and because they had "promised that the ballots would be counted as cast," they had "no choice but to meet fire with fire."

The exchange of fire, sporadic for six hours, ended after the jail was rocked by four blasts of explosives, and one of the deputies showed down for a halt because "we are dying in here."

One report, telephoned from within the jail during the night, said two men inside had been killed but it proved false.

The deputies, hands high in the air, marched out of the building, were searched and 21 returned to the jail under GI guards. One of them, identified by onlookers as Deputy Windy Wise, was man-handled by a group, but apparently was not harmed seriously.

Sheriff Doffs Badge
Cantrell's whereabouts were not known. Sheriff Pat Mansfield, shirt sleeved and without his badge, was seen in the company of a physician after the surrender. He apparently was unarmed.

George Woods, a county election commissioner and high in the Cantrell organization, had agreed to certify the GI slate of candidates as winners of the election, Duggan said.

The ballot boxes, torn open with their contents strewn about a jail office, were recovered by the GI forces.

Duggan called the mass meeting for Monday and said it was planned to have winners formally installed as interim officials. Their terms normally would start Sept. 1.

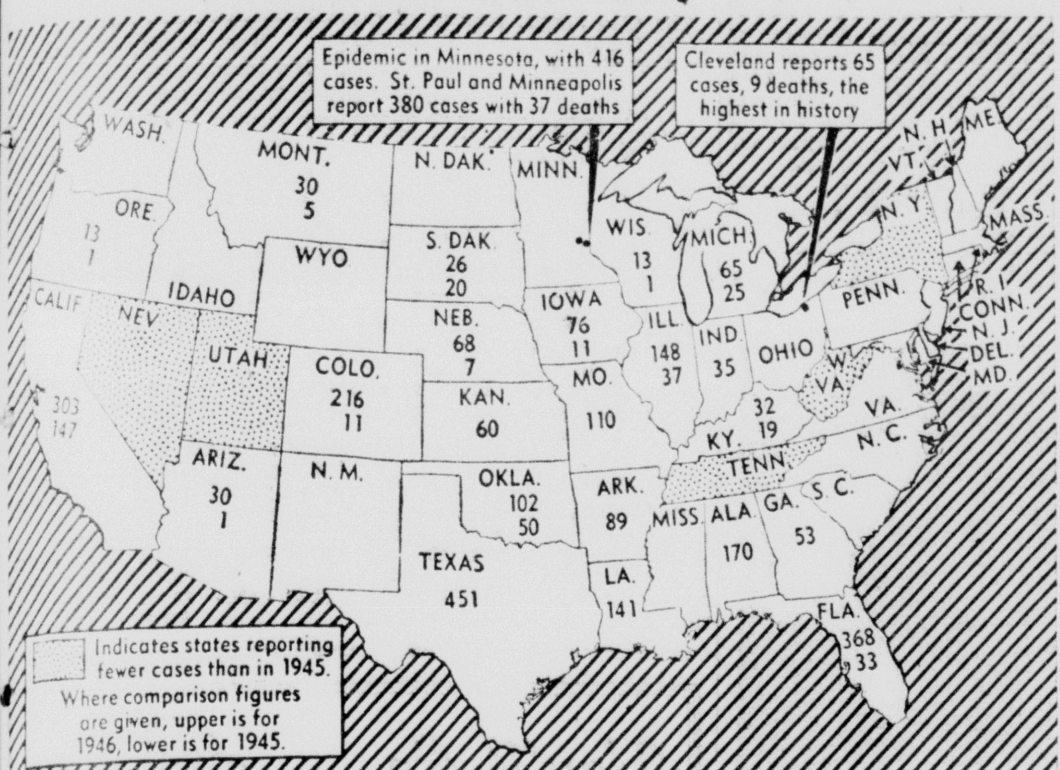

Gets Life In Prison
CLEVELAND, Aug. 2.—Charles Filippo, 34-year-old army veteran, was under a life sentence today for the 1936 murder of Charles G. Ka, a lake sailor. He was sentenced yesterday by Common Pleas Judge Joy Seth Ward.

JULY'S NORMAL WEATHER AIDED DISTRICT CROPS

Although July temperatures were almost normal, the month had freakish weather with extremely hot days and unusually cool nights, L. H. Copeland of Millport, U. S. Weather observer, reported today.
The normal July temperature, over a 53-year period, is 70.6 degrees while the month just passed averaged 71.3 degrees. During the month a high of 95 degrees was recorded July 11 and lows of 42 were recorded on the nights of 26th and 27th.
The month was below normal in rainfall, only 1.82 inches recorded. The normal for the month is 4.47 inches.
July had 80 per cent sunshine with 19 days clear, 21 partly cloudy and one cloudy. It rained on seven days, Copeland said.
Cites Good Harvest
Copeland reports that all three major crops, wheat, oats and hay, showed excellent progress during the month, an unusual occurrence as farmers seldom experience a good crop in all three.
Corn also made a spectacular growth during the month, the observer said, and with favorable weather in August should yield a normal crop.
Due to current farm labor shortages, he explained, few farms have completed harvesting on schedule.
Temperatures for August should be normal, Copeland predicts, with rainfall above normal.
The warmest July on record was in 1901 when temperatures averaged 72.2 degrees and the coldest was in 1924 with a 66.8 degree average. Greatest July precipitation was 1941's when 10.15 inches fell. The year 1894 had the driest July on record, only 30 inches being recorded.

NEW NAVY UNIFORMS ON PARADE

THE NAVY'S NEW UNIFORMS on test parade at Treasure Island, California, brought admissions from many seamen that they preferred the old style on grounds that the new ones "look too much like the Army's." Left to right, Howard Maroon wears the new dress blues, John Phelps is in old-style uniform, Harold Rudolph wears new undressed blues, and Thomas Hendricks models the new work clothes.

Sunshine in July, 1945, was 70 per cent with a precipitation of 2.73 inches and an average temperature of 70 degrees.

Marilyn Louise Welch Feted On Birthday

To celebrate the second birthday of her daughter, Marilyn Louise, Mrs. Helen Welch delightfully entertained a group of children and their mothers Thursday afternoon at their home, 8 Ellsworth ave. Lunch was served at a table beautifully decorated in pink and white tones. There was a two-tiered birthday cake ornamented with two candles.

Mrs. Jean Welch of Mason town, Pa., Marilyn's grandmother, was among the guests.

Miss Johnson To Wed James Giffin

Announcement is made by Miss Grace Johnson of Alliance of the engagement and approaching marriage of her sister, Jeanette Emma Johnson, daughter of the late Mr. and Mrs. O. H. Johnson, to James McClelland Giffin, son of James H. Giffin of Franklin st.

The wedding will be an event of 2:30 p. m. Saturday, Aug. 10, in the Presbyterian church here.

Miss Johnson, a former Alliance tennis champion, attended Mt. Union college and New York University. She was with the American Red Cross during World War II as a hospital recreation worker in neuro-psychiatric service stationed in Danville, Ky., and at Valley Forge General hospital, Phoenixville, Pa. At present she is recreational director at Molly Stark sanatorium.

Recently returned after four years in the United States Army, Giffin spent 18 months in the European Theatre of Operation.

He is a graduate of the Cleveland College of Embalming and is associated with the Arbaugh Pearce funeral home.

Miss Johnson has chosen Mrs. Robert Haycock of Narberth, Pa., as her matron of honor and Judy Fisher of Salem as her flower girl. James Summers of Erie, Pa., will serve as best man and his ushers will be Marlin Richards of Cleveland, cousin of the bride, and James Fisher, Kenneth Jones and John Lutsch of Salem, brothers-in-law of the groom.

Christian Church Group Arranges Benefits

Benefits were planned for October and November when the Ladies Aid society of the Christian church held its quarterly luncheon meeting Thursday at the church. Mrs. Ross Clay, president, was in charge.

Mrs. Carol Moores served as secretary in place of Mrs. Arnold Greene, who is ill.

The society contributed to the redecoration of the church.

Mrs. S. T. Magann, teacher in the Salem schools, is attending Radcliffe college, Cambridge, Mass. Her husband, Rev. Magann is at Buena Vista, Va., where they are making their home this summer.

Mr. and Mrs. James J. Rea have moved to 911 Jennings ave.

Mrs. Leora Smith Hostess To Class Members

Mrs. Ciel Ruffe conducted a Bible study on "The Grace Given Through Jesus Christ" at a meeting of the Women's Bible class of the Church of God Thursday afternoon at the home of Mrs. Leora Smith, W. Pershing st.

Lunch was served at the social period.

In two weeks the members will meet with Mrs. Walter Weingart, Goshen rd.

Mrs. Eyrick Hostess To Club Members

The time was devoted to needlework and visiting when members of the Thursday Afternoon club were guests of Mrs. Jack Eyrick yesterday at her home, R. D. Salem.

Mrs. Jennie Crawford of Greenford was a guest.

Mrs. Eyrick served lunch, assisted by Mrs. Laverne Owen and Mrs. Ralph Crawford.

Meeting on Sept. 5, the members will be guests of Mrs. Charles Vincent, Canfield rd.

Tells of Motor Trip At Picnic Supper

Miss Caroline Hole gave an interesting talk on her recent trip through the New England states at a picnic supper meeting of the November committee of the Women's association of the Presbyterian church Thursday evening at the church. Places were arranged for 12.

Mrs. J. W. Steinebach conducted the devotions.

Keen Teens Entertained By Miss Barnard

Loie Barnard was hostess to the Keen Teens Thursday evening at her home, N. Lincoln ave.

Games furnished entertainment and the hostess served refreshments.

Rev. Fr. Cyril Fisher of Chicago and Rev. Fr. William Appell, assistant pastor of St. Paul's Catholic church, were guests of the Ladies Catholic Benefit association at its annual picnic supper Thursday evening at Centennial park.

The next meeting is set for Sept. 5 at the K. of C. hall.

Mr. and Mrs. John Theiss and son, Dick, Homewood ave., have returned from a two weeks' trip through the New England states.

Mrs. P. A. Chase of Kalamazoo, Mich., arrived Thursday evening to be the guest of Mr. and Mrs. Elmer Kesselmire of Washington ave. and Mrs. Iva Wilson, E. State st.

Mr. and Mrs. George Barnes, Sr. and Mr. and Mrs. George Barnes, Jr., have moved from E. Third st. to 291 Ohio ave.

Wedding Date Told At Party

The wedding date of Miss Martha Weingart, bride-elect of Warren Wilson of Springfield, was revealed when her mother, Mrs. Frank Weingart, gave a beautifully appointed party Thursday evening at their home, Goshen rd.

The ceremony will be solemnized at 3 p. m. Saturday, Sept. 7, at the bride's home.

Gladly were used in the attractive home decorations. Bernice Gaughan of Leetonia and Mrs. John Deskalich won prizes in the Monte Carlo games.

A lovely tiered cake on which were the names of the prospective bride and groom, and topped with wedding bells, centered the table. The favors were miniature vases filled with pansies.

A large red balloon was suspended from the chandelier over the table and while the guests were seated it was broken and wedding bells were showered over the table. On these were the names of the couple and the wedding date.

Miss Weingart was surprised with a shower of gifts.

The guests were from Salem, Wiltona and Leetonia.

Birthday Party Held For Ruthann Scullion

Ruthann Scullion entertained eight guests Thursday evening at the home of her mother, Mrs. Ruth Scullion, 365 S. Lincoln ave., honoring her fourth birthday anniversary.

A wicker roast was a feature, with a birthday cake centering the table. Games and group singing furnished entertainment. The honoree received a number of lovely gifts.

Announce Engagement Of Marge Kemats

Mr. and Mrs. Andrew Kemats of 8 Ellsworth ave. announce the engagement of their daughter, Marge, to Paul Sanio, son of Mr. and Mrs. Steve Sanio, 386 Hogan's Place, Salem.

Paging Omar, the Tentmaker

If the white shirt shortage has you down, shed a tear for Henry Hite, Chicago giant appearing at Milwaukee's Centurama. He asked Gus Weinberg, left, and Harold Stern, right, local haberdashers, for a dozen shirts. Their 5-foot tape measure was too short to take in Hite's 7-foot, 6-inch wingspread, but they settled at size 17 1/2 collar and 41 1/2-inch sleeve. The dozen shirts cost \$124.

Florida Visitors Hold Outing At Columbiana

COLUMBIANA, Aug. 2—Fifty-two persons who are or have been winter residents of St. Petersburg, Fla., from the area embracing Columbiana, Lisbon and Leetonia held their annual reunion in Pavilion 4, Firestone park, yesterday.

Mrs. O. C. Caldwell of Lisbon, president for the gathering this year was unable on account of illness to be present. It was decided to hold the reunion next year at the same place the first Thursday in August.

Officers elected are: W. K. Fry, Columbiana, president; E. T. Coyle, Columbiana, vice president; and Mrs. Isiah Mowen, Columbiana, secretary-treasurer.

4-H Club Convenes
Miss Irma Ramseyer, Columbiana county home extension agent, was at the meeting of the Girls Sew-So 4-H club in the Legion home Wednesday and gave infor-

mation on the selection contest held in Lisbon, Aug. 21, when sewing projects will be selected to be sent from Columbiana county to Columbus for the state contest. She will be present at the meeting of the local club the following day also to judge its project.

At the meeting Wednesday, a sandwich making demonstration was given by Lois Antram and Jean Clawges. Plans were made for a swimming party and picnic at Firestone park next Monday afternoon.

Mrs. Genevieve Trader, who sold her residence on N. Elm st. last week to Norman Detwiler, will move some time this month to Pasadena, Calif.

Rain Wanted

Our earth would be wetter than it now is if it never rained. Rain removes the humidity from the air. Without it, the air would be steam, the ground would be slime, and moisture would condense on every earthly object and keep it soaked in water.

Axis Satellites Face Carving Knife

Readjustment of frontiers and imposition of reparations are expected when the peace treaty committees take up the cases of Germany's Balkan satellites, Hungary, Romania and Bulgaria. Some of the border problems are indicated above. Reported reparations agreements between Hungary and Russia include payment by the former of some \$200,000,000 worth of agricultural and industrial products, oil and other commodities.

Today's Pattern

Picture yourself in this... so beautiful for any occasion! Pattern 4769 is simple with no waist seams to sew and cap-sleeves cut in with yoke. It's pure feminine flattery! Pattern 4769 comes in sizes 12, 14, 16, 18, 20, 40. Size 16, 2 3/4 yards 39-inch; 3 1/4 yard contrast.

Send TWENTY cents in coins for this pattern to The Salem News, 156 Pattern Dept., 243 West 17th St., New York 11, N. Y. Print plainly SIZE, NAME, ADDRESS, STYLE NUMBER.

Household Hints

Ice cream is a valuable source of protein, fats, carbohydrates, minerals and vitamins.

Paper towels are excellent for removing grease from plates, pots and pans before washing.

You can add some excitement to many egg dishes by pepping them up with one of the "fine herbs" either alone or blended with another, or with chervil, chive, parsley, summer savory or celery. And when other fresh herbs are not available, parsley, onion juice and celery tops can be used to give a robust flavor to an omelet.

A wise homemaker remembers that fresh meat is a perishable food. Buy only what you are able to use.

In a short time and store in the coldest part of the refrigerator, either unwrapped or wrapped loosely in wax paper.

The leaves of kohlrabi made a tempting dish when cooked as greens. Kohlrabi is always boiled but there a number of ways of serving it. Slice it and cream, mash as you would turnips, quarter or dice and serve with butter sauce.

A long-handled brush for washing glasses, bottles and other tall containers will prove very useful.

Return East Liverpool Man On Forgery Charge

LISBON, Aug. 2.—Sheriff George Hayes and his deputies Thursday brought James Floyd Ammon, charged with forgery in East Liverpool last April, to the Mahoning county jail following his apprehension in Kittanning, Pa., last week.

Hayes said the Pennsylvania man had been returned after extradition papers had been executed through the governor of Pennsylvania. He had escaped East Liverpool police in April and later broke out of the Kittanning jail but was apprehended again last week.

He will await continuation of his case before the grand jury.

The Army's announcement declared that two important roles are envisioned for the radioisotopes:

1. As "atomic spies" or tracers for following the course of many common elements in medical, chemical, metallurgical and other processes. Thus, carbon 14, can be used as a "tag" to trace the role of its stable sisters, carbon 12 and carbon 13—the forms found in organic material.

2. As "possible therapeutic agents for treatment of certain special diseases." In such a role the isotopes would serve as "atomic artillery," emitting their rays against body tissue.

Radioactive phosphorus already has shown potentialities in controlling certain forms of leukemia, a blood disorder.

Benefits To Come

But today's announcement said:

"The use of radioactive materials in therapeutic conditions is still very much in the investigational stage.... the greatest benefits from the use of these materials will most likely come not from therapeutic uses but by using the tracer technique in investigating the causes of disease and the life processes in general."

The first units of carbon 14 were consigned to the following:

1. To the Barnard free skin and cancer hospital of St. Louis which will endeavor to "tag" component parts of an artificial cancer-producing agent in an attempt to determine exactly how the cancer is produced. Skin cancer will be studied with mice as laboratory subjects.

2. To Dr. D. Wright Wilson, of the University of Pennsylvania school of medicine, who will add radioactive carbon to sugar and attempt to unravel some of the problems of diabetes in animal studies.

3. To Dr. James Franck, University of Chicago physical chemist and Nobel prize winner, who will study the mechanisms of photosynthesis with radioactive carbon as a "tracer."

4. To Dr. W. D. Armstrong, University of Minnesota physiological chemist, who plans to use tagged carbon atoms to trace the deposition of carbon compounds in the

Capture Convict, 16-Year-Old Bride

(By Associated Press)

TRENTON, N. J., Aug. 2.—The one-day honeymoon of an escaped convict and his 16-year-old bride ended abruptly last night when they were captured several hours after kidnapping State rooper Charles R. Kell at gunpoint and holding him captive until his escape under a hail of bullets.

Their capture—near Hopewell—ended what police said was the most intensive Jersey manhunt since the same patch of wooded area was combed in a search for the Lindbergh baby.

Kell had stopped the pair near Raritan in Somerset county for speeding.

The first to be captured was the girl, identified by State Police Superintendent Charles H. Schroeffel as Constance Ethel Blondell Doak who was taken when her husband fled on foot from their car as police closed in on them.

But a mile and a half away, the man, identified by Schroeffel as August Bernard Doak, was caught by a lone trooper as he tried to cross the Hopewell railroad bridge several hours later.

Schroeffel said Doak fled from a southern Michigan prison Sept. 28, 1945.

Return East Liverpool Man On Forgery Charge

LISBON, Aug. 2.—Sheriff George Hayes and his deputies Thursday brought James Floyd Ammon, charged with forgery in East Liverpool last April, to the Mahoning county jail following his apprehension in Kittanning, Pa., last week.

Hayes said the Pennsylvania man had been returned after extradition papers had been executed through the governor of Pennsylvania. He had escaped East Liverpool police in April and later broke out of the Kittanning jail but was apprehended again last week.

He will await continuation of his case before the grand jury.

post No. 66 Veterans of Foreign
Wars in a Columbiana court
decision today, was given
full title to Whiland auditorium
part of an East Liverpool build-
ing which it paid \$75,000. The
decision held invalid a lease and
James R. Dillon claimed.
Previously, Judge Joel H. Sh-
rader ruled payment of rent for a be-
game in the auditorium con-
stituted gambling for profit, with-
out result the Grant Street Civic
society suspended operation of
weekly game.

Man Killed By Car

WARREN, Aug. 2 — The
highway patrol today sought
identity of a man about 6
feet tall, who was killed by an auto-
mobile on State Route 5, west of here
today. Bus tickets found on
body indicated he might have
been in the Niles-Girard area, pa-
men said.

A Birdie

SINCLAIR, Wyo.—Whipping
line back while casting for
B. A. Fredericks hooked and
led—or maybe it was grouse
night hawk. The bird nabbed
artificial fly and was hooked
ly but was able to fly away. A
Fredericks reeled it in and
moved the hook.

COURTROOM SPITTOONS WIN JUDGES' DECISION

ST. LOUIS — Their sympathy aroused for tobacco chewing jurors and lawyers who looked vainly for the container that wasn't there, two federal district judges here have ordered the return of cuspidors to their courtrooms.

Judges Ruben M. Hulen and Richard M. Duncan overruled an edict from the Federal Building Administration in Washington which caused removal of the cuspidors seven months ago.

Judge George H. Moore, however, dissented from the majority opinion and held that sand urns in the corridors outside his court must serve the purpose.

A TREE GROWS IN PEORIA, ILLINOIS

PEORIA, Ill.—If and when Peoria residents in the years ahead want to get out on a limb, they'll have a handy tree. A sapling rooted in a crevice in the stone masonry is growing over a door of the city hall. The arboreal decoration is of a type known as "tree of Heaven." The seed apparently was deposited by a bird.

OLD, OLD BACHELOR

TOWNSEND, Mont.—Ireland-born Chris Keenan, Montana gold miner and prospector for 80 years and a bachelor all his life, celebrated his 101st birthday with this comment on his matrimonial future: "I still have hopes."

WATERBORNE, Hawaii—William M. Okeano, Hawaii war veteran, has developed an amphibious lunch wagon—a surplus amphibious quarter-jump—for use along one of Honolulu's canals where fishing boats and yachts tie up.

WHY BLACK MARKET IN MEAT TURNED BEARISH PHILLIPSBURG, Colo.—A wily, 300-pound brown bear was captured and executed after he had cut local meat supplies by killing several steers on the Jeeter ranch and the manner of his capture is one for the tall tales department. John Hart, assistant director of the

PEORIA, Ill.—Edward F. Reffett is the city dogcatcher, but he can handle bigger game. He recently led a posse of Peorians who roped and tied a steer which escaped from a farmer's truck.

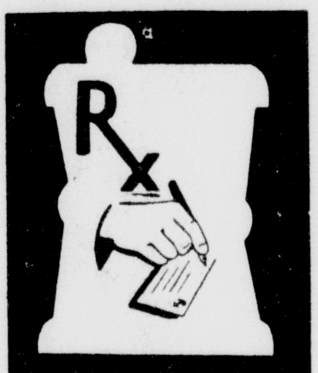

Road Bids To Be Opened Tuesday On County Jobs

LISBON, Aug. 2.—Bids will be taken in Columbus Tuesday for resurfacing two sections of State Route 164, one in Columbiana county's Fairfield township and the other in Mahoning county's Beaver township.

The job of using a heavier resurfacing material is necessary because of increased use of this road by trucks.

Cost of the job is estimated at \$47,778. County Engineer Charles Snyder, said.

A machine has been invented to take the fuzz off peaches.

Ohio Labor Federation Re-Elects All Officers

CLEVELAND, Aug. 2.—The Ohio Federation of Labor re-elected all its officers by acclamation Thursday in the concluding session of the federation's 61st annual convention.

Included was Phil Hannah, secretary-treasurer, recently appointed an assistant secretary of labor.

Hannah reminded the delegates that revival of OPA had renewed the powers of the wage adjustment board, which has control over wages in the construction industry.

He advocated a complete return to unrestricted collective bargaining.

Federation vice presidents re-elected were William Finegan and William Goldberg of Cleveland, John W. Thompson and Fred H. Rasser of Cincinnati, John E. Briedenbach of Dayton, Oliver

Your GI Rights

Questions and Answers On Problems of the Servicemen

BY DOUGLAS LARSEN

Here are some questions from servicemen and veterans regarding GI benefits.

Q—They say that all fathers will soon be out of the Army. I am supporting the child of my wife's first marriage. Does that make me a father?

A—As far as the Army is concerned, you are a father.

Q—My son enlisted in the Navy recently. He failed two of the courses he was taking just before he went into the service and this fact kept him from getting his high-school diploma. How will that affect his chances of taking advantage of the educational provisions of the GI Bill or Rights when he is discharged? Will he have to waste a year of these benefits taking the last year of high school again?

A—It is possible to get training in the Navy accredited as high school courses. This might get him a diploma. Regardless of what he did in school before he went into the service, he is eligible for all the GI benefits pertaining to education if he serves 90 days and gets a discharge other than dishonorable.

Q—When a man is serving in the Navy, how many children is he able to get allowances for?

A—He may get allowances for all the children under 18 years of age dependent on him for support.

Q—Does a man have to apply for the furlough pay the government is going to give enlisted men, or will the government mail it to him without his asking for it?

A—The terminal-leave pay will be received in the form of bonds rather than as cash. The precise procedure to be required of the veteran in making application has not yet been announced.

Rep. Lewis Votes Against Congress Salary Boost

Earl R. Lewis, representative in Congress from the 18th Ohio district, voted against the bill increasing the salary of members of Congress which was contained in the bill for the reorganization of Congress.

He stated that while the bill contained many valuable and praiseworthy provisions, he felt that with the threat of inflation imminent Congress should set an example to the rest of the country in reducing the cost of government rather than increasing it and that in his opinion one of the means of fighting inflation is through the reduction in the cost of government.

Forms For Furlough Pay Available Soon

WASHINGTON, Aug. 2—Former GI's entitled to accumulated furlough pay under the bill awaiting President Truman's signature probably can begin applying for their cash or bonds by Sept. 1, Army officials said today.

They declined to venture a guess, however, on how soon the first payments—expected to average \$160—will be forthcoming.

Forms will be mailed in about 10 days. Army veterans will send their applications to finance officers at the post where they were discharged. Actual payments in cash or bonds will be made by mail.

The Navy, which is responsible for paying Naval and Marine corps enlisted men, and the Treasury which will pay Coast Guardsmen, intend to coordinate their procedure with the army.

DAMASCUS

Mr. and Mrs. H. O. Stanley spent Wednesday with Mr. and Mrs. Richard Chambers of Cleveland.

The group went to Adrian, Mich., Thursday where they attended the threshing of the Dynamic Kernels at the Adrian fairgrounds. Perry Hayden of Tecumseh, Mich., stewardship superintendent of Ohio Yearly Meeting of Friends, planted a small portion of wheat six years ago, planting the title of one-tenth each year since until the harvest has grown so large it must be discontinued, owing to lack of space for planting. The title has been named "The Dynamic Kernels."

Mr. and Mrs. L. M. Rakestraw of Miami, Fla., visited her sister, Mrs. C. E. Stanley Monday and were dinner guests of Mr. and Mrs. C. T. Shreve Monday evening. Mr. and Mrs. Rakestraw will leave for their home in Florida next week.

Dale Carman of Minerva was a guest Tuesday at the J. L. Stackhouse home. Mrs. Stackhouse is

improving slowly from injuries received in a fall.

Return From Trip

Miss Rachel Oesch and Mrs. Hazel Bowersock have returned from a trip through Canada and the New England states.

Mr. and Mrs. M. F. Griffith are making extensive repairs to the former O. V. Delzell property which they purchased.

Richard McBride, in company with William Crouse of Salem left for a week's vacation to Washing-

ton, D. C., New York City and other eastern points.

Mr. and Mrs. Shelton Harrington have moved to the property they purchased recently in Berlin Center.

Mrs. Robert Stanley and son Jimmy are visiting her mother, Mrs. John Plunkett, and her sister, Mrs. Frank Yoder of Cleveland.

Rev. and Mrs. John Williams and children went to Cleveland Wednesday for a visit with her parents, Mr. and Mrs. Byron Osborne.

"Village of Long Life"

Villa Ruiva, just outside Lisbon, Portugal, was given the title of "the village of long life," when it saw only three deaths in a recent year. The dead were centenarians, their ages being 101, 104, and 115 years.

Your GI Rights

Questions and Answers On Problems of the Servicemen

BY DOUGLAS LARSEN

Here are some questions from servicemen and veterans regarding GI benefits:

Q—They say that all fathers will soon be out of the Army. I am supporting the child of my wife's first marriage. Does that make me a father?

A—As far as the Army is concerned, you are a father.

Q—My son enlisted in the Navy recently. He failed two of the courses he was taking just before he went into the service and this fact kept him from getting his high-school diploma. How will that affect his chances of taking advantage of the educational provisions of the GI Bill or Rights when he is discharged? Will he have to waste a year of his benefits taking the last year of high school again?

A—It is possible to get training in the Navy accredited as high school courses. This might get him a diploma. Regardless of what he did in school before he went into the service, he is eligible for all the GI benefits pertaining to education if he serves 90 days and gets a discharge other than dishonorable.

Q—When a man is serving in the Navy, how many children is he able to get allowances for?

A—He may get allowances for all the children under 18 years of age dependent on him for support.

Q—Does a man have to apply for the furlough pay the government is going to give enlisted men, or will the government mail it to him without his asking for it?

A—The terminal-leave pay will be received in the form of bonds, rather than as cash. The precise procedure to be required of the veteran in making application has not yet been announced.

CANCER 64	CANCER 76.2	INFLUENZA 70.5	DIARRHEA 26.0	DIABETES 26.6

SINCE THE TURN OF THE CENTURY, as this chart shows, cancer as a cause of death, has risen from seventh to second place on the list of diseases which take the lives of most Americans. Only heart trouble tops it. Of the 135,000,000 persons in the nation today, about 17,000,000 will eventually succumb to cancer. Physicians point out that this figure undoubtedly would be reduced if persons would submit to regular examinations, for cancer is often curable in the early stages. The reason for its quick climb up the list of death causes is the increasing longevity of Americans brought about by advances in medical science. For example, many persons who would have succumbed years ago to pneumonia, nephritis, and other diseases, were saved and struck later by one of the diseases which tend to afflict older persons. Little Janet Fay Carroll (right) of Klondike, Ariz., who doctors believe was born with cancer, and who now has a good chance to live, tries to speak for living Americans doomed to die of cancer unless something is done about it.

GUARDING YOUR HEALTH So You Can't Get To Sleep!

BY HERMAN N. BUNDESEN, M.D.
The harder you try to go to sleep, the more wide awake you become.

To those who find themselves irritable and depressed from habitual lack of sleep this may seem odd comfort, but if they are to solve their problem, they must learn that they cannot drive themselves to sleep. They must drift into this happy state.

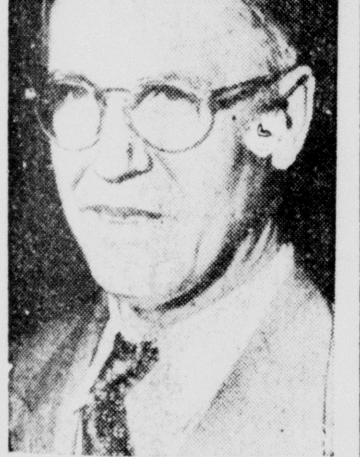

Any effort, even the effort to go to sleep, induces wakefulness. So don't make the effort and, above all, don't worry about not sleeping.

Hinder Not Help
It won't help; it will hinder, and furthermore, it constitutes needless fuss in view of the fact that only a few hours of sound sleep nightly are required for health.

Instead of going to bed to prod yourself to sleep, take a brisk walk before bedtime. A warm bath, a warm, non-stimulating drink, and a dull book are also helpful. To be avoided are excessive smoking and large evening meals.

According to Drs. Laurence Hughes and S. E. Jones of Australia, there are two kinds of natural sleep. One they call physiologic and the other psychologic.

In physiologic sleep, the sleep is sound and there are no dreams. The amount of physiologic sleep needed is small, and varies according to the age and the type of work a person does. Psychologic sleep, they find, is regulated by custom and habit. Both types of

Seeking the Republican congressional nomination, Dr. Elmer E. Gabbard, above, Buckhorn, Ky., mountain schoolmaster, is out to beat Andrew J. May, Democratic incumbent. A onetime Presbyterian minister, twice previously beaten by May, he is stumping the latter's territory with fiery campaign speeches and a hill-billy band.

SINCE THE TURN OF THE CENTURY, as this chart shows, cancer as a cause of death, has risen from seventh to second place on the list of diseases which take the lives of most Americans. Only heart trouble tops it. Of the 135,000,000 persons in the nation today, about 17,000,000 will eventually succumb to cancer. Physicians point out that this figure undoubtedly would be reduced if persons would submit to regular examinations, for cancer is often curable in the early stages. The reason for its quick climb up the list of death causes is the increasing longevity of Americans brought about by advances in medical science. For example, many persons who would have succumbed years ago to pneumonia, nephritis, and other diseases, were saved and struck later by one of the diseases which tend to afflict older persons. Little Janet Fay Carroll (right) of Klondike, Ariz., who doctors believe was born with cancer, and who now has a good chance to live, tries to speak for living Americans doomed to die of cancer unless something is done about it.

GUARDING YOUR HEALTH

So You Can't Get To Sleep!

By HERMAN N. BUNDESEN, M.D.
The harder you try to go to sleep, the more wide awake you become.

Most of the ordinary complaints accompanying sleeplessness, such as irritability, inability to concentrate and depression come from a lack of psychological sleep. If a person awakens from sleep suddenly, it may be due to some condition such as heart disease or ulcers.

Such things as bright lights, loud noises, and worry may delay sound sleep or cause awakening from light sleep.

If sleeplessness is really present, it requires a careful study by the physician to determine the various causes which may be present, but in most cases simple regulation of habits suffices to overcome the difficulty.

Letters to Dr. Bundesen should be addressed in care of 235 E. 45th St., New York City.

Vets' On-Job Training Supervisors Named

(By Associated Press)

COLUMBUS, Aug. 2.—Six training officers and a review clerk were appointed today by the state department of education to supervise the 17,000 Ohio establishments approved for veterans' on-the-job training.

The appointments were: Bailey Cushman of Urbana, Richard E. Kelly of Youngstown, Bernard C. Miller of Columbus, Robert E. Rogers of Mansfield, Jack W. Cummins of Portsmouth, Frank C. McCaslin of Bedford, all training officers; Don H. Mateer of Mt. Gilead, review clerk.

Lawrence Borosage of Columbus was named-supervisor for the group. Dr. Clyde Hisong, state education director, said the department would supervise only actual training programs and abilities of establishments to give competent instruction.

Complaints of approved programs will be given priority on inspection schedules, he said.

American League All-Stars Edge Nationals In Thrilling Battle Before 2,000 At Reilly

SENSATIONAL BENEFIT TILT PACKED WITH THRILLS AS AMERICANS RALLY IN NINTH TO SCORE PAIR OF RUNS AND EKE OUT WIN

Before approximately 2,000 screaming softball fans, the American league All-Stars edged out the National leaguers 5-4 in the medical fund game benefit Thursday night at Reilly field. It was one of the most thrilling games seen in Salem in many a year and could not have been more so if it had been played according to a prepared script.

The American leaguers scored two runs in the top of the ninth to come from behind and whip their rivals, when it looked as though they were beaten. Many of the fans had conceded the Nationals victory and were drifting toward the gates when the American league fireworks started.

With one out, and China hurler, Dale Ritchie, on the mound, Eddie Bosick whipped a double down the third base line, gaining second base on a long slide.

The next batter, Pat Mancuso, of Leetonia, scored him with another double to deep center field, and tallied himself on a line drive hit to left center by Guy Beltempo, also of Leetonia.

Mike Guappone of Mullins was safe on an error at short to load the bases. Ritchie then struck out the next two batters to retire the side, but the damage was done.

The game ended on a thrilling play by Fred "Lefty" Schmid, American loop first sacker. With the tying and winning runs on base, Ray McGaffie drilled a sharp liner to Schmid's right that was labeled "two base hit." "Lefty" snatched it out of the air about a foot away and nonchalantly trotted over to the bag to double the first base runner for a double play. The play brought a large round of applause from the crowd.

The game was played under difficult conditions, with none of the players having had experience playing under the Reilly lights, which are not designed for baseball. In addition, the grass was slightly damp and caused the hard-hit balls to skip dangerously. However, only six errors were committed, three on each side.

The Nationals started the scoring in the initial frame when Johnny Hart of the Bowling Center doubled and went to third on a passed ball. He was trapped off third, but scored when the throw from third was too late at the plate.

The National league added another run in the second when Sam Pridon of Demings scored after an outfield fly. The throw to cut off the catcher was to the right and he tallied unassisted.

Two runs were marked up by the Americans in the fourth to tie up the game. Bob Holland of Leetonia hit a Texas league single to left after Pitcher Bill Bennett had loaded the bases with two walks and a single by Steve Zatzko.

However, the Nationals came back in their half of the fourth to go ahead again, getting two more runs. Bill Kerr was safe on Stump's error and was moved along on Brother "Howdy" Kerr's single. Dave Kachner, China outfielder, then drilled the first of his two hits into the outfield to score them both.

No change was made in the score until the seventh when Bosick, who was in the National league's hair all night, led off with a single. He scored on a terrific single by Beltempo to center that was held to one base only by brilliant fielding on the part of Kachner.

That made the score 4-3 and set the stage for the American's thrilling ninth inning rally.

All five National league runs were batted in by Leetonia players, Bob Holland and Guy Beltempo driving in two apiece and Pat Mancuso the other. It was a lucky thing for the winners that they were named on the team.

Kenny Brudery of Demings, who started on the mound for the National league was the outstanding

hurler of the evening, as he throttled the opposing batters without a hit. He struck out five and walked none for a truly fine performance.

Johnny McQuiston of the Jaycees was the winning pitcher and Dale Ritchie of the China the loser. McQuiston allowed only one hit in his three innings, while whiffing three and walking one. Ritchie was liberally tagged for seven hits and the winning runs, while fanning five.

Jack King of the Ohio Grill and John Zines of Mullins each allowed two runs, with King granting one hit and Zines two. For the Nationals, Bill Bennett, Salem Lunch hurler, was nicked for two hits and two runs, mostly due to wildness.

Picking an outstanding star would be hard to do, but the nod would seem to be toward Bosick and Beltempo of the American league and Brudery and Kachner of the National. The former two were directly responsible for the winning runs by their timely hitting, Bosick scoring twice. Brudery's fine pitching and Kachner's clubbing were invaluable to the losers' cause.

Diamond Dust

By DON E. BEATTIE, News Sports Editor

HAD SOMEONE SAT down and planned out just how the softball benefit card at Reilly stadium Thursday should have gone to be a complete success, he couldn't have done a better job than what was done last night.

The exciting Class A All-Star fray, the weather, the magnificent turnout by local fans and the all-round enthusiasm displayed by both players and fans were woven into a "perfect" evening.

Although the American league staged a spirited rally in the top of the ninth to win by one slim run, the rivalry between the two leagues is still unsettled and is probably increased as a result.

IF THE VICTORY proved anything, it only heightened the contention that both leagues are about as evenly divided as could be hoped for. The American loop hitting in the last two frames, when they collected seven of their nine hits, might supply food for the thought that the heaviest hitting is there, but even that is debatable.

The evening was packed with color. Fred "Lefty" Schmid's grab of the steaming drive down first by Ray "Goose" McGaffie in the ninth was the perfect finish to a perfect ball game.

Schmid's catch completely overwhelmed the crowd, which was on its feet most of the last two innings anyway, and sent it home muttering about the beautiful double play which ended the contest and killed a likely-looking National league threat.

LEETONIA'S TALENTED trio, Bob Holland, Pat Mancuso and Guy Beltempo teamed up to give the crowd a show of just what it is that has kept the Crescents hot in the race all season long in the American.

Hitting with men on bases in Leetonia forte and the three men, who drove in all the winner's runs, showed just how it's done.

The victory was a fittingly placed tribute to American League Manager Ralph Mancuso, whose idea it was to stage the game in the first place.

LEAGUE DIRECTOR Joe Kelley expressed sincere appreciation from all the league organizations for the amazing turnout by local fans. Kelley was unable to estimate the gate, as many managers had not reported on ticket sales Thursday, but will issue a complete report soon.

A guess, however, places the income from the game at around \$500 or more. At least 2,000 fans were jammed in the west stands at the stadium where there was standing room only. A large number of the crowd, however, was made up of youngsters who were admitted at reduced prices.

All the proceeds of the game will be turned over to a treasurer for disbursement as needed to pay for medical costs incurred by players in league play.

THE FANS RECEIVED a big kick out of the colorful "striking" and "bailing" of imitable Ray Reasbeck, who worked the middle three innings behind the plate and belted out his decisions with amusing clarity.

Jim Jackson and Pat Bolen, both old timers in Class A, did their respective turns behind the plate and on the bases with equal skill, but less showmanship.

Jackson was faced with the most difficult decision of the evening when he ruled Eddie Bosick safe as he slid beautifully into second base in the ninth inning at the start of the winning rally. It was the only close one of the game.

THE ENTIRE AFFAIR went over with a bang, was a financial success, added greatly to the popularity already built up for softball here this season by a tremendous increase in interest and provided funds for an excellent cause.

Everyone concerned in the first Class A All-Star game is in for a hearty round of congratulations—and that includes the more than 2,000 fans who participated building up the newly-formed players' medical fund.

Down All-Star Class B Foe
9-1 As Pete Cain Hurls
Beautiful Game

The best the eight other Class B teams had to offer in combined form was none too good for the powerful Goodrich outfit, which Thursday night whaled out an impressive 9-1 victory over its Class B All-Star brother team at Reilly field before approximately 2,000 people out to see the benefit softball card.

Hurler Pete Cain of the Goodrich outfit seemed to have too much for the somewhat bewildered All-Stars, who failed to hit or field consistently throughout any part of the contest.

Cain, with a delivery which featured fireball tosses as well as mellow slow balls, limited the All-Stars, managed by Tony Martinielli, to five scattered hits, walked four and fanned seven in the seven inning go.

The Goodrich five had all that it takes to make a good ball club and displayed it well with 10 solid hits, including a first inning homer by Manager Tommy Miner.

"Dutch" Miller, Goodrich left fielder, had the evening's honors at the plate, slapping out three safeties in four times at bat. He scored two runs of the Goodrich total and played brilliantly in his position on the defense.

The Tire team got off to a hot start in the last of the first, scoring four big runs on three hits, a sacrifice and one All-Star error. Miner's homer cleaned the bases.

The All-Stars tallied first and only in the third when singles by Rudy Maroscher and Ben Brudery and two Goodrich errors allowed Maroscher to score.

Goodrich chalked up another run in the fourth on a double by Virg Kelly, scoring Dan Crawford, who had made first on an error.

In the fifth it was easy picking for the Tire men as Miller, Moe Mercer, Walt Ehrhart singled successively, Cain walked and Crawford singled in two more runs.

At this point in the contest diminutive Leon Klein, All-Star reliever, replaced Anio Ciotti on the mound and drew the applause of the crowd as he fanned one and forced another to pop out, thereby retiring the side without further scoring.

He was touched for a single in the next frame, however, by Miller scoring Campbell on the hit.

Ciotti walked one, fanned two and allowed eight of the nine runs. Klein walked none, fanned one and was nipped for a hit and one run.

American League All-Stars Edge Nationals In Thrilling Battle Before 2,000 At Reilly

SENSATIONAL BENEFIT TILT PACKED WITH THRILLS AS AMERICANS RALLY IN NINTH TO SCORE PAIR OF RUNS AND EKE OUT WIN

Before approximately 2,000 screaming softball fans, the American league All-Stars edged out the National leaguers 5-4 in the medical fund game benefit Thursday night at Reilly field. It was one of the most thrilling games seen in Salem in many a year and could not have been more so if it had been played according to a prepared script.

The American leaguers scored two runs in the top of the ninth to come from behind and whip their rivals, when it looked as though they were beaten. Many of the fans had conceded the Nationals victory and were drifting toward the gates when the American league fireworks started.

With one out, and China hurler, Dale Ritchie, on the mound, Eddie Bosick whipped a double down the third base line, gaining second base on a long slide.

The next batter, Pat Mancuso, of Leetonia, scored him with another double to deep center field, and tallied himself on a line drive hit to left center, by Guy Beltempo, also of Leetonia.

Mike Guappone of Mullins was safe on an error at short to load the bases. Ritchie then struck out the next two batters to retire the side, but the damage was done.

The game ended on a thrilling play by Fred "Lefty" Schmid, American loop first sacker. With the tying and winning runs on base, Ray McGaffie drilled a sharp liner to Schmid's right that was labeled "two base hit."

"Lefty" snatched it out of the air about a foot away and nonchalantly trotted over to the bag to double the first base runner for a double play. The play brought a large round of applause from the crowd.

The game was played under difficult conditions, with none of the players having had experience playing under the Reilly lights, which are not designed for baseball. In addition, the grass was slightly damp and caused the hard-hit balls to skip dangerously. However, only six errors were committed, three on each side.

The Nationals started the scoring in the initial frame when Johnny Hart of the Bowling Center doubled and went to third on a passed ball. He was trapped off third, but scored when the throw from third was too late at the plate.

The National league added another run in the second when Sam Pridon of Demings scored after an outfield fly. The throw to the plate after the catch was cut off to try for a runner coming into third and he tallied unopposed.

Two runs were marked up by the Americans in the fourth to tie up the game. Bob Holland of Leetonia hit a Texas league single to left after Pitcher Bill Bennett had loaded the bases with two walks and a single by Steve Zatzko.

However, the Nationals came back in their half of the fourth to go ahead again, getting two more runs. Bill Kerr was safe on Stump's error and was moved along on Brother "Howdy" Kerr's single.

Dave Kachner, China outfielder, then drilled the first of his two hits into the outfield to score them both.

No change was made in the score until the seventh when Bosick, who was in the National league's hair all night, led off with a single. He scored on a terrific single by Beltempo to center that was held to one base only by brilliant fielding on the part of Kachner.

That made the score 4-3 and set the stage for the American's thrilling ninth inning rally.

All five American league runs were batted in by Leetonia players, Bob Holland and Guy Beltempo driving in two apiece and Pat Mancuso the other. It was a lucky thing for the winners that they were named on the team.

Kenny Brudery of Demings, who started on the mound for the National league was the outstanding

hurler of the evening, as he throttled the opposing batters without a hit. He struck out five and walked none for a truly fine performance.

Johnny McQuiston of the Jaycees was the winning pitcher and Dale Ritchie of the China the loser. McQuiston allowed only one hit in his three innings, while whiffing three and walking one. Ritchie was liberally tagged for seven hits and the winning runs, while fanning five.

Jack King of the Ohio Grill and John Zines of Mullins each allowed two runs, with King granting one hit and Zines two. For the Nationals, Bill Bennett, Salem Lunch hurler, was nipped for two hits and two runs, mostly due to wildness.

Picking an outstanding star would be hard to do, but the nod would seem to be toward Bosick and Beltempo of the American league and Brudery and Kachner of the National. The former two were directly responsible for the winning runs with their timely hitting, Bosick scoring twice. Brudery's fine pitching and Kachner's clubbing were invaluable to the losers' cause.

VALLEY RIDERS NEW HORSEMEN'S GROUP

NEW WATERFORD, Aug. 2—Horsemen of the community have formed a new club, called the Valley Riders, with Claude Chester as president.

At an election of officers Sunday, Chester was chosen to head the group with James Ray, vice president, Ruth Ray, secretary and Lloyd Rupert treasurer.

A demonstration of riding followed the Sunday meeting. The group will sponsor a horse show at the Lisbon fairgrounds in the near future.

Diamond Dust

By DON E. BEATTIE, News Sports Editor

HAD SOMEONE SAT down and planned out just how the softball benefit card at Reilly stadium Thursday should have gone to be a complete success he couldn't have done a better job than was done last night.

The exciting Class A All-Star fray, the weather, the magnificent turnout by local fans and the all-round enthusiasm displayed by both players and fans were woven into a "perfect" evening.

Although the American league staged a spirited rally in the top of the ninth to win by one slim run, the rivalry between the two leagues is still unsettled and is probably increased as a result.

IF THE VICTORY proved anything, it only heightened the contention that both leagues are about as evenly divided as could be hoped for. The American loop hitting in the last two frames, when they collected seven of their nine hits, might supply food for the thought that the heaviest hitting is there, but even that is debatable.

The evening was packed with color. Fred "Lefty" Schmid's grab of the steaming drive down first by Ray "Goose" McGaffie in the ninth was the perfect finish to a perfect ball game.

Schmid's catch completely overpowered the crowd, which was on its feet most of the last two innings anyway, and sent it home muttering about the beautiful double play which ended the contest and killed a likely-looking National league threat.

LEETONIA'S TALENTED trio, Bob Holland, Pat Mancuso and Guy Beltempo teamed up to give the crowd a show of just what it is that has kept the Crescents hot in the race all season long in the American.

Hitting with men on bases is Leetonia forte and the three men, who drove in all the winner's runs, showed just how it's done.

The victory was a fittingly placed tribute to American League Manager Ralph Mancuso, whose idea it was to stage the game in the first place.

LEAGUE DIRECTOR Joe Kelley expressed sincere appreciation from all the league organizations for the amazing turnout by local fans. Kelley was unable to estimate the gate, as many managers had not reported on ticket sales Thursday, but will issue a complete report soon.

A guess, however, places the income from the game at around \$500 or more. At least 2,000 fans were jammed in the west stands at the stadium where there was standing room only. A large number of the crowd, however, was made up of youngsters who were admitted at reduced prices.

All the proceeds of the game will be turned over to a treasurer for disbursement as needed to pay for medical costs incurred by players in league play.

THE FANS RECEIVED a big kick out of the colorful "striking" and "bailing" of imitator Ray Reasbeck, who worked the middle three innings behind the plate and belted out his decisions with amusing clarity.

Jim Jackson and Pat Bolen, both old timers in Class A, did their respective turns behind the plate and on the bases with equal skill, but less showmanship.

Jackson was faced with the most difficult decision of the evening when he ruled Eddie Bosick safe as he slid beautifully into second base in the ninth inning at the start of the winning rally. It was the only close one of the game.

THE ENTIRE AFFAIR went over with a bang, was a financial success, added greatly to the popularity already built up for softball here this season by a tremendous increase in interest and provided funds for an excellent cause.

Everyone concerned in the first Class A All-Star game is in for a hearty round of congratulations—and that includes the more than 2,000 fans who participated in building up the newly-formed players' medical fund.

GOODRICH HAS EASY TIME IN PRELIMINARY

Down All-Star Class B Foe 9-1 As Pete Cain Hurls Beautiful Game

The best the eight other Class B teams had to offer in combined form was none too good for the powerful Goodrich outfit, which Thursday night whaled out an impressive 9-1 victory over its Class B All-Star brother team at Reilly field before approximately 2,000 people out to see the benefit softball card.

Hurler Pete Cain of the Goodrich outfit seemed to have too much for the somewhat bewildered All-Stars, who failed to hit or field consistently throughout any part of the contest.

Cain, with a delivery which featured fireball tosses as well as mellow slow balls, limited the All-Stars, managed by Tony Martinelli, to five scattered hits, walked four and fanned seven in the seven inning go.

The Goodrich five had all that it takes to make a good ball club and displayed it well with 10 solid hits, including a first inning homer by Manager Tommy Miner.

"Dutch" Miller, Goodrich left fielder, had the evening's honors at the plate, slapping out three safeties in four times at bat. He scored two runs of the Goodrich total and played brilliantly in his position on the defense.

The Tire team got off to a hot start in the last of the first, scoring four big runs on three hits, a sacrifice and one All-Star error. Miner's homer cleared the bases.

The All-Stars talked first and only in the third when singles by Rudy Maroscher and Ben Brudery and two Goodrich errors allowed Maroscher to score.

Goodrich chalked up another run in the fourth on a double by Virg Kelly, scoring Dan Crawford, who had made first on an error.

In the fifth it was easy picking for the Tire men as Miller, Moe Mercer, Walt Ehrhart singled successively, Cain walked and Crawford singled in two more runs.

At this point in the contest diminutive Leon Klein, All-Star reliever, replaced Anio Clotti on the mound and drew the applause of the crowd as he fanned one and forced another to pop out, thereby retiring the side without further scoring.

He was touched for a single in the next frame, however, by Miller scoring Campbell on the hit.

Clotti walked one, fanned two and allowed eight of the nine runs. Klein walked none, fanned one and was nipped for a hit and one run.

Offers Eyes to Vet

A VETERAN of World War I, James W. Todd, 63, of Detroit, is suffering from an incurable disease and has offered his eyes after he dies to some sightless veteran of World War II. His wife, who is working to support him, approves of his plan to bring sight to one who will live after him. (International)
